

# Call for Papers

INMIC IEEE International Multi Topic Conference 2019 - 29th to 30th November, 2019

IEEE International Multi Topic Conference, INMIC (International Conference on Emerging Technologies) is the flag ship annual conference of IEEE in Pakistan. The conference is a prestigious venue where top of the line researchers and scientist come together to present their novel research contributions and to disseminate the results. It also presents an excellent opportunity to graduate students and PhD scholars to familiarize themselves with the state of art research in various computing disciplines.

You are invited to submit your technical research paper (6 to 8 pages, IEEE format) for INMIC 2019. The conference is to be organized by the Department of Computer Sciences, National University of Computer and Emerging Sciences, FAST NU, Pakistan on November 29, and November 30, 2019, in cooperation with the IEEE, Islamabad Section. INMIC 2019 is technically co-sponsored by IEEE Islamabad Section and the accepted papers shall be indexed in IEEE Xplore.

INMIC is recognized as a prestigious technical conference with a scope covering new and exciting technologies and research areas, thereby inviting interest of a large audience. The conference covers a diverse range of topics related to emerging technologies in diverse emerging fields. It provides an opportunity for researchers working in diverse topics to meet, present, and discuss their ideas and research. The topics include, but are not limited to:

Robotics and Embedded Systems	Artificial Intelligence
Information and Cyber Security	Information Retrieval
Financial Technology – Fintech	Software Defined Networks
Software Testing	Bio-Engineering & Bio-Informatics
Data Mining and Machine Learning	Software Engineering
Social Network Analysis	Semantic Web
Networks and Communications	Cyber-physical systems

## Submission Guidelines

Potential authors are invited to submit their work (pdf version only) with complete results including figures, tables, and references. All authors must prepare their papers in 6 to 8 pages (including figures, tables and references), must be written in English, and strictly follow the IEEE format (templates can be downloaded directly from IEEE MS Word doc, Web link). Please refer to the conference website (<http://inmic.org.pk>) for further information and updates.

All papers must be original and not simultaneously submitted to another journal or conference. Only Full Paper category is welcome.

Paper must be original and relevant to one of the conference topics. Please do not include author names and affiliations in the manuscript. Author information should be supplied in camera-ready submission.

## **Review Process**

All the submitted Full Papers will be reviewed by Technical Program Committee (TPC) and assessed on the basis of originality, significance, technical soundness, and clarity of expression. Accepted authors will be notified on date (yet to be confirmed). All papers shall go under a plagiarism check. The review committee may recommend rejection of final papers that do not take account of reviewers' requirements and expectations in an acceptable manner. The conference chair reserves the right to remove papers from the conference proceedings that do not meet the requirements.

## **Important Dates**

Abstract Submission:	01 August 2019
Paper Submission Deadline:	15 August 2019
Decision Notification:	15 Oct 2019
Camera Ready Submission Due:	25 Oct 2019
Registration Deadline:	05 Nov 2019
Conference Dates:	29-30th Nov 2019
